

TEMPLE UNIVERSITY MATHEMATICS CIRCLE
Fall 2012
TEACHER RECOMMENDATION
Registration is not complete until all forms are received.

Student's Name: _____

Dear Teacher,

The above student has applied for the Temple University Mathematics Circle Program. This outreach mathematics program is designed to provide middle school (enrolled in 6th-8th grade) students with a variety of engaging mathematical experiences focused on extending their understanding and knowledge in mathematics. Topics include: divisibility, modular arithmetic, introduction to cryptography, introduction to probability, and geometry.

If you are able to recommend the student, please indicate this by signing below.

Thank you,
Temple University Math Circle Staff

I recommend _____ for the Temple University Math Circle Program.
